

SOUTH WEST NATIVE TITLE SETTLEMENT

COMMUNITY INFORMATION SESSIONS

South West Aboriginal
Land and Sea Council
Aboriginal Corporation

PURPOSE OF THE COMMUNITY SESSIONS

Commencing early April, the South West Aboriginal Land and Sea Council Aboriginal Corporation (SWALSC) will convene sixteen community information sessions throughout the south west to provide information on the implementation of the Noongar settlement agreement.

These sessions will cover the agreement and transition process. Multiple meetings will be held for each of the six Noongar agreement group areas and you only need to attend one of the meetings.

WHO SHOULD ATTEND?

The community information sessions are open to all Noongar people including those who are not members of SWALSC. You must only attend the meetings for the agreement group areas that you identify with.

Light refreshments will be provided at the sessions.

If you have any queries about the community information sessions, please contact the SWALSC office on (08) 9358 7400.

We look forward to seeing you at these important community information sessions.

For more information, or to clarify your eligibility to participate, please visit the SWALSC webpage at www.noongar.org.au or call toll-free on 1800 617 617.
